NAAC ACCREDITED 'A++' GRADE COLLEGE

2025-2026

Name of the Event: Bioenzyme Workshop

Organised by: Enactus, Hansraj College

Date of the Event: 29th November 2025

Name of Convener(s): Ms. Alka Kacker, Dr. Shailu Singh

Event Description:

As part of its collaboration with Rahab Foundation, Project Nirmal focused on promoting gender equality through skill-based empowerment. The team conducted on-ground training sessions where women were trained in the production of bioenzymes, enabling them to acquire practical and environmentally sustainable skills.

The training aimed to equip women with knowledge of eco-friendly bioenzyme preparation, its applications in waste and water management, and its potential as a livelihood opportunity.

Through this initiative, Project Nirmal successfully integrated environmental sustainability with women empowerment, ensuring that the impact created was both social and ecological.

This collaboration further strengthened the project's commitment to inclusive development by empowering women to actively participate in sustainable solutions while fostering economic independence and gender equity.
