

2019-2020

Name of the Department/Society: **Rotaract Club**

Name of the Event 1: Polycystic Ovarian Syndrome Awareness

Date of the Event: 22<sup>nd</sup> September, 2019

Polycystic ovarian syndrome is hormonal disorder causing enlarged ovaries with small cysts on the outer edges. The cause of polycystic ovary syndrome isn't well understood, but may involve a combination of genetic and factors. So to bring light to this syndrome Rotaract club of Hansraj college conducted an awareness programme on PCOS. And we marked a huge success in spreading awareness about it with the contribution of over 40+ members
