Description Of The Event

The annual stage theatre festival of Hansraj Dramatics Society, Rangmanchiyata, was held at the prestigious Triveni Kala Sangam. The festival showcased a diverse range of productions, from reimagined classics to bold original scripts, each performed with remarkable artistry and dedication.

The proscenium stage enabled performers to experiment with set design, lighting, and sound, enriching the narrative impact of their plays. The performances carried distinct voices—some reflective, some experimental, all deeply engaging—and together created an immersive experience for the audience.

Rangmanchiyata concluded with a spirit of celebration and artistic exchange. The festival reaffirmed theatre's enduring ability to move, question, and inspire, while highlighting the society's commitment to sustaining a vibrant and meaningful culture of performance.
