The opening day, held at the College Amphitheatre, unfolded as a vivid celebration of artistry, rhythm, and imagination, eloquently capturing this year's theme—"A Symphony of Serendipity Beyond Lab Coats."

The occasion was graced by the esteemed presence of distinguished faculty members from the Department of Chemistry, including Dr. Manoj Kumar Convenor of Rasayanatva, Dr. Sonu Kumar, Program Coordinator, and Dr. Himanshu Ma'am, the Teacher-in-Charge, whose steadfast support and insightful mentorship have been instrumental in nurturing the society's vision and evolution. The event commenced with the traditional lamp lighting ceremony led by the faculty, symbolizing the auspicious beginning of the celebration. This was followed by a warm and articulate welcome address delivered by Sneha Soni, Vice President of the society.

The program showcased a captivating array of performances, including solo and duet dance routines, group choreographies, soulful singing, and a lively open mic session, all of which kept the audience thoroughly engaged. Adding to the vibrance, the game anchors infused the event with energy through their interactive games, fostering enthusiastic participation from both students and faculty, and elevating the festive spirit.
