

2018-2019

Name of the Society/Department: Entrepreneurial Cell

Name of the Event 5: Education Summit

Date of the Event: 17/03/2018

The Entrepreneurial Cell of Hansraj College organised an Education Summit in collaboration with TiE- The Indus Entrepreneurship in 2017-18. The event aimed at educating the masses about the ABCs of entrepreneurship, especially the college youth about the importance of having an entrepreneurial spirit in one's life. The event witnessed a huge footfall from the entire Delhi University with more than 1100 people attending the three-day summit. The summit was a three-day event that consisted of various speaker sessions from highly recognised entrepreneurs who are working towards building a society that cares for its people along with growth. Along with speaker sessions from various industry experts, the summit included a case-solving competition related to entrepreneurship and start-up culture in order to enhance the critical thinking abilities of the attendees and provide them with a direction to start with their entrepreneurial journey. The event was filled with huge zeal and success with various incentives, prizes, rewards and most importantly, networking opportunities for both entrepreneurs and non-entrepreneurs. The summit served as a learning opportunity for everyone. Ms. Madhavi Moni, the convenor of the cell as well as Ms. Rama, the Principal of Hansraj College was highly supportive throughout the event and were highly impressed with the success of the event, which helped not only Ecell Hansraj but also Hansraj College reach greater heights.
