

**HANSRAJ COLLEGE, UNIVERSITY OF DELHI**  
**ALUMNI FEEDBACK SURVEY RESULTS**  
**2021-2022**

An alumni feedback form was used to assess and interpret the experience of the students passing out of Hansraj College. The exercise aimed to understand how relevant and helpful was the curriculum in preparing them for the real world. Five questions were asked with a 4 point scale. The questions were aimed at determining the relevance of curriculum to employability, skill enhancement, entrepreneurial skill development, logical thinking and practical application.

The results indicate positive response with scope for further improvement. Of the 314 respondents, 70% of the respondents agreed that curriculum inculcated and encouraged innovative thinking and logic in them, 62% agreed that the syllabus for their course is relevant for employability; approximately 60% agreed that the current syllabus is in line with contemporary and relevant industry practices and developments. 53% have found the curriculum to be effective in developing entrepreneurial skills. 71% have agreed that the syllabus included relevant skill enhancement subjects. There is scope for incorporating subjects that improve and hone entrepreneurial skills. Also, there is scope, in some cases, to update the syllabus to include contemporary industry practices.

**TOTAL RESPONDENTS: 314**
