

HANSRAJ COLLEGE

EMPLOYER FEEDBACK ANALYSIS 2021-2022

A total of 13 organizations participated in the feedback survey. Some relevant questions were raised to determine the experience of these employers in visiting Hansraj College and hiring our students.

Feedback analysis reveals that employers have found the curriculum is relevant and promotes logical thinking and includes relevant skill enhancement. An encouraging detail that emerged from the analysis was that employers were highly satisfied with the placement process carried out by the placement cell. 10 out of the 13 respondents were highly satisfied with the process. None of the respondents faced any obstacles in the placement process. Overall performance of students was rated excellent and very good by all employers.
