## **PARENTS' FEEDBACK SURVEY RESULTS**

**2021-2022**

Parents' Feedback was collected on several parameters on a five –point scale and the report is very encouraging. A total of 1027 responses were obtained. The parents are found to take immense pride in the fact that their children have the opportunity of studying in Hansraj College. An astounding 81% of the respondents are highly proud of having their children in Hansraj College. 72% have favourable assessment of the overall environment.

The results reveal that positive statements have received mostly a rating of 4 or 5 on a scale of 1-5, where 5 represents highly favourable and 4 represents favourable. Combining these two responses we observe that a total of 67% found that the college environment is conducive to the processes of Teaching and Learning. 64% agree that they have discovered a significant development of their ward's overall personality since she/he joined the college. 60% agree that the college promoted the desire for self-study and an orientation towards genuine research. 56% agreed that the college has a satisfactory system of monitoring student's progress. 59% of the respondents believed that Hansraj provides value-based education. 62% agreed that the college has adequate provisions to enhance Technical Knowledge and communication skills.

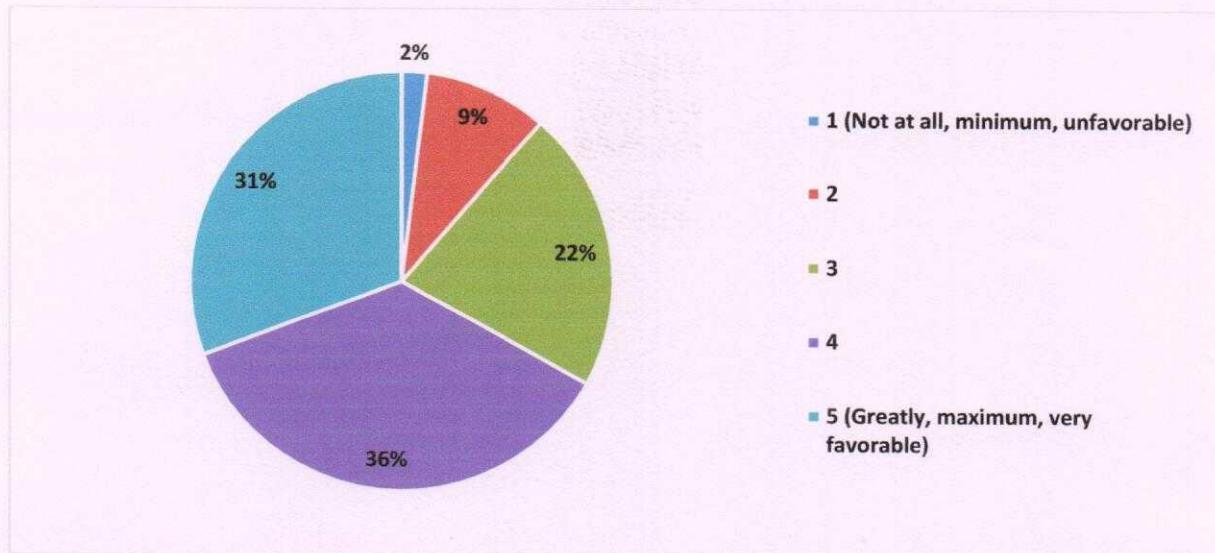

In terms of their assessment of the infrastructure facilities it was found, 68% of the respondents agreed that the learning resources provided by the college (facilities like Internet access, Library resource and availability of Computers) are favourable or highly favourable. 66% stated that the administration's commitment to adapt to the online teaching-learning during the pandemic was favourable. 67% stated that the Discipline Practices implemented in the college are favourable.

When asked how much sensitivity does the college manifest towards changing educational, social and market demands? (For instance, commitment to providing assistance in Spoken English, Foreign Languages and Extra courses and providing for the special needs of differently abled students and those from undeserved sections of society), 70% agreed that the environment is favourable.

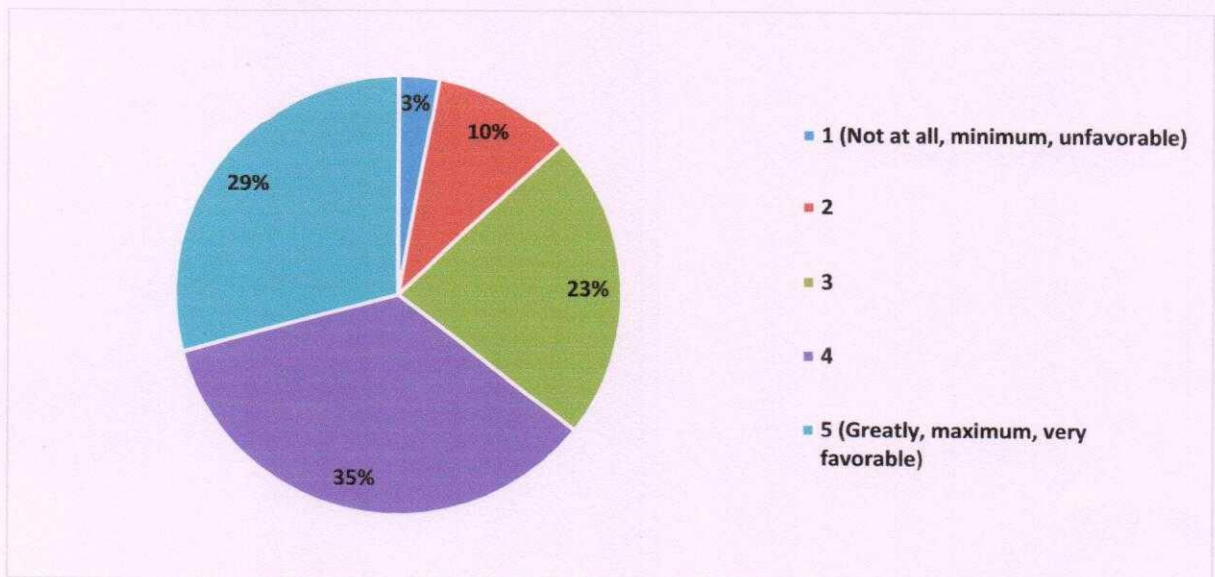

**TOTAL RESPONDENTS: 1027**
