<p><b>Criteria 1 : Curricular Aspects</b></p>	<ol style="list-style-type: none"> <li>1. All the modular plans have been presented for last 5 years. It is good that such plans are made in the beginning itself so that the teaching could be made effective.</li> <li>2. Time tables are made properly with the names of the teachers and class room numbers. Workload calculations have been done as per 16 lectures/week.</li> <li>3. Some add-on courses had also been conducted.</li> </ol>
<p><b>Criteria 2 : Teaching Learning and Evaluation</b></p>	<ol style="list-style-type: none"> <li>1. There is proper analysis of the results have been done. However, the data of rank-holders, medalists <sup>if any</sup> need to be highlighted.</li> <li>2. Peer-peer mentoring program is running well and the feedback has also been taken.</li> <li>3. Mentor-mentee data needs to be presented with highlights.</li> </ol>
<p><b>Criteria 3 : Research, Innovations and Extensions</b></p>	<ol style="list-style-type: none"> <li>1. Some of the faculty members have got good research project funding and doing good research.</li> <li>2. Some faculties have published papers in international journals of high impact factor and repute.</li> <li>3. Workshops/seminars/conferences have been attended and organized.</li> <li>4. There not much evidence of MOUs/faculty exchange, etc.</li> </ol>
<p>All the data needs to properly compiled and highlighted.</p>	

<p><b>Criteria 5 : Student Support and Progression</b></p>	<ol style="list-style-type: none"> <li>1. Student scholarship data is not sufficient. Needs to be compiled and highlighted.</li> <li>2. The students are asked to take remedial classes and also make presentations to enhance skills.</li> <li>3. The data of outgoing students (alumni) needs to be highlighted. More data needs to be collected with proofs and highlighted.</li> </ol>
<p><b>Criteria 6 : Governance, Leadership and Management</b></p>	<ol style="list-style-type: none"> <li>1. Many teachers have attended FDPs and the department has also organized some FDPs.</li> <li>2. Several non-teaching (lab staff) and others have attended many refresher, training programs. The data was presented with proofs.</li> </ol>
<p><b>Criteria 7 : Institutional Values and Best Practices</b></p>	<p>Green chemistry, reuse of waste chemicals, making useful articles using waste materials are some of the best practices. However, more such activities need to be identified, data compiled and need to be presented in a good manner.</p>
