Event Description (About 250 Words):

On May 11, 2025, in celebration of **National Technology Day**, the **Department of Physics and Electronics** and the **Institution's Innovation Council** of **Hansraj College, University of Delhi**, jointly organized an expert talk titled "*India's Significant Milestones in Technological Developments.*" The event featured **Dr. Deepak Kumar**, Associate Professor of Physics at the **Regional Institute of Education (NCERT), Mysuru, Karnataka**, as the distinguished speaker. The session was held online from **10:00 AM onwards**, the session drew an enthusiastic audience of over **95 participants**. Dr. Kumar's talk traced **India's remarkable journey in scientific and technological advancement**—from the Green Revolution to space exploration, from indigenous defense innovations to digital empowerment. His insights shed light on the nation's resilience and innovation in shaping its scientific identity. The interactive nature of the session allowed participants to engage meaningfully with Dr. Kumar, exploring both the **challenges and opportunities in contemporary research**. The event successfully honored the spirit of science and technology, inspiring awareness and motivation among students and researchers alike. The session concluded with final remarks by **Prof. P. K. Ahluwalia**, President of **IAPT**, marking a memorable and impactful National Technology Day celebration at Hansraj College.
