9. Team Cuatro Crackers

- **Project Name:** Heavy Driver Tracker App
- **Team Members:** Atul, Suraj, Manjita, Lara

The judges brought a wealth of experience and insights to the event, evaluating the ideas and solutions presented by the participants. We had conducted an internal presentation competition and selected the best 4 teams for which we had assigned 20 minutes for each team to present their idea. The highlight of the event was the idea presentations, during which each team presented their

solutions to the esteemed panel of judges. The presentations showcased a diverse array of creative concepts, demonstrating the participants' dedication and hard work. After careful deliberation, the judges selected the winners based on various criteria, including innovation, feasibility, and impact. The top teams were recognized and awarded for their outstanding ideas. The awards were presented by Dr. Ambika and Mr. Suyash Kumar, who applauded the participants' efforts.

Though all the teams performed well but the best 3 teams for SIH-2024 are listed below:-

1. JanSewa – Civic Engagement Platform

2. AI-Driven Social Media Security & Privacy

3. IoT Based Gas Leakage Detection System

Ideathon was a resounding success, fostering an environment of innovation, collaboration, and creativity. The event provided a platform for participants to showcase their problem-solving skills and connect with like-minded individuals from various fields. The coordination by Mr. Suyash Kumar and the presence of Dr. Ambika Singh added a significant touch of professionalism and motivation to the event. As the curtains closed on ideathon, participants left with enriched experiences, new connections, and a renewed enthusiasm for driving positive change through innovation.
