Report

A seminar was organized by Institution's Innovation Council, Hansraj college on the topic of "problem solving and Ideation". The speaker of the seminar was Dr. Dipan Sahu. He is a policy entrepreneur and practitioner actively contributing to the growth of the Indian start-up ecosystem. His work engages a variety of ecosystem enablers and successfully established a scalable, and sustainable model of the Institution's Innovation Council (IIC) network to foster I & E culture in more than 6500 HEIs which directly influences the career choice of 4 million students. He gave a wonderful talk with full of ideas for the new generation. It was an interactive session where students learnt about the journey of innovation in India. Also, knowledge was imparted to the students on how one can start their own entrepreneurship journey from the college itself. He discussed in details on the direct proportionality between creativity and happiness. Also, he performed a test with four benchmarks to speculate who could be potential entrepreneurs. He stressed upon the need for college to provide mentoring and infrastructural support for pre incubation and incubation of innovative ideas. He highlighted the role of innovation ambassadors in mentorship of interested students. It was a very interesting as well as informative session. Total 102 students and 13 faculty members from different departments participated in the seminar
