On the auspicious occasion of the birth anniversary of the visionary Louis Braille, Enabling Unit, Hansraj College organised an Extempore Competition and Poet conference on 4<sup>th</sup> January, 2022 on Google Meet. The competition was organized in the spirit that communication is a vital life-skill that if mastered can have a transformative impact on human beings. Speaking on important topics with fluency can certainly help in our pursuit of excellence in this dynamic world, in order to give PwD students a space to express themselves and compete in a very conducive environment. It resulted in an immense amount of exposure and loads of learning for all those who participated.

The speech could be delivered in either Hindi or English and 3 + 1 (4) minutes were given to the participants to express their views on the allotted topics. Those who suffer from Hearing impairment were required to bring their own interpreters. The judges for the event were Dr. Satyendra Sir, Dr. Rajesh Sir and Dr. Vandana Ma'am. Vikas Chaudhary secured the first position, Khyati Khushi secured the second position, Ankita Sehdev secured the third position, and Umesh Singh and Arun Kumar secured consolation prize.

All winners were awarded with attractive cash prizes (1st: 1500, 2nd: 1000, 3rd: 700), and participants were given e-certificates.
