

# Women Development Cell

**Convener:** Ms. Amita Aggarwal

**President:** Lavanya Sinha

## About the Society

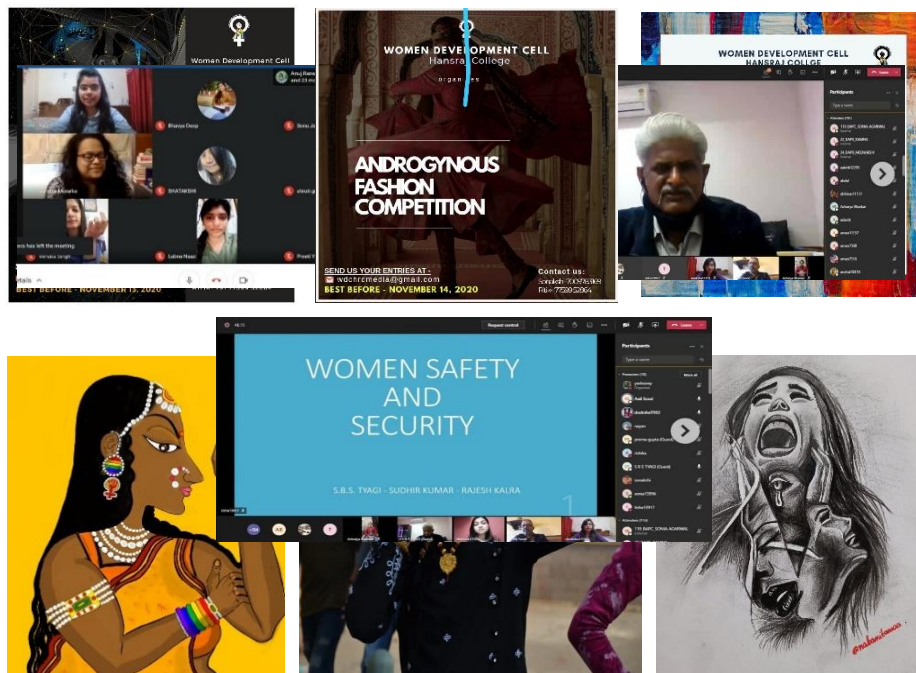

Women Development Cell as a student collective is committed to fighting societal evils like patriarchy, sexism, homophobia, prejudice and other inequalities. Our constant efforts are aimed at dismantling obsolete structures of stigmatization built on foundations of misinformation and replacing them with seeds of education and acceptance. Though the COVID-19 pandemic limited our means of operation, we were still active throughout the academic session.

## Report of Events Organized in the academic year

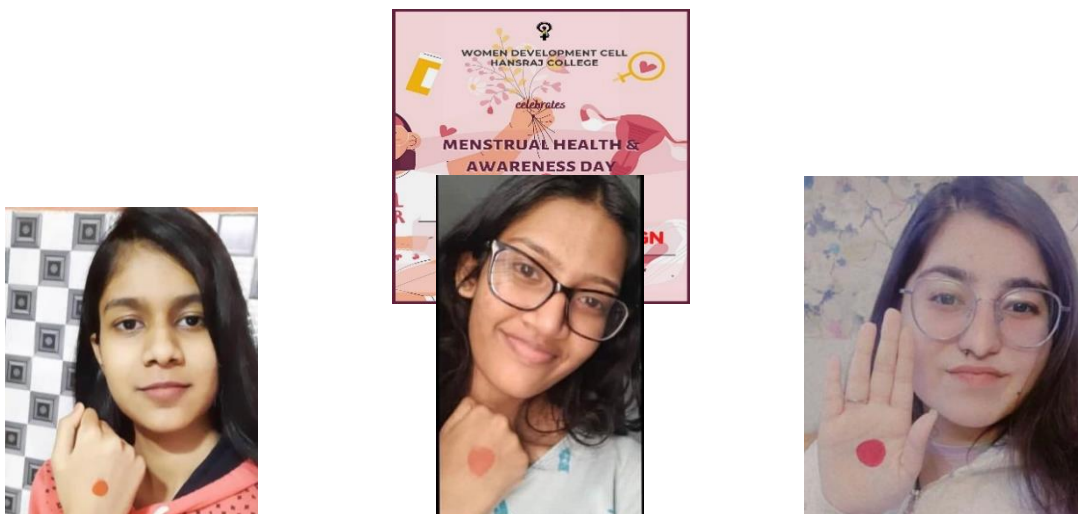

The team conducted a number of webinars on platforms such as Google Meet, Zoom, Microsoft Teams etc. on topics such as **Breast Cancer Awareness, Women Entrepreneurship, Human trafficking, Gender Stereotypes, Intersectionality, Womanhood, Female Genital Mutilation, Self care strategies, Women and Child Rights, LGBTQ+ community** etc. with notable personalities like SBS Tyagi (IPS, retd), Minal Karanwal (IAS), Gitanjali Babbar (founder, Kat-Katha), Ashna Juneja (Accenture), Meenu Padha (Lawyer).

A number of online competitions including Androgynous Fashion, Painting competition, Digital Art, creative craft, were conducted on themes surrounding inclusivity and shattering gender norms.

The team also conducted the '**Red Spot Campaign**' on account of Menstrual Health and Awareness Day. It aimed at spreading awareness

and normalizing menstruation since stigma surrounding menstruation persists in the society and overpowers the truth and facts.
