

Global Association of Economics Education India

About the Society - GAEE India is the first regional chapter of the Global Association of Economics Education in India, headquartered at Hansraj College, Delhi University. GAEE India has opened 10 college chapters with 400+ students in the network. We are a student-led non-governmental not-for-profit organization providing a full-spectrum platform to empower students with Economics Education, Financial Literacy, and Entrepreneurship Incubation.

Our parent organization, The Global Association of Economics Education is a not for profit organization based out of **Massachusetts, USA**. GAEE currently operates in **eight countries** and is affiliated to the **United Nations Economic and Social Council**, one of the six principal organs of the United Nations. It also receives support from and has partnered with the **World Economics Association, Techsoup, Google, Facebook, Amazon**, and several universities across the globe.

8. IPCW
9. DRC
10. SVC

GAEE North India dedicated November '20 to the topic Microfinance. The learning started with an introductory speaker session by Mr Aayush Goel, cofounder of Mudrakwik Fintech Private Limited, on 'Digital Transformation of Microfinance.' A Case Solving activity followed this.

For December, the curriculum was decided based on prices, rent-seeking, and market dynamics. The month of January focused on stock valuation, developing a business plan, and discussing articles from the Financial Times. Similarly, the curriculum for all months concentrates on some critical aspects of Economics, Finance, and

Entrepreneurship, which are then discussed amongst students under the guidance of some mentor.

GAAE LSR conducted an inter-GAAE quiz in February and GAAE DTU organized a Speaker's Conclave in April'20. Apart from this, there have been several speaker sessions to acquaint the students with the corporate world.

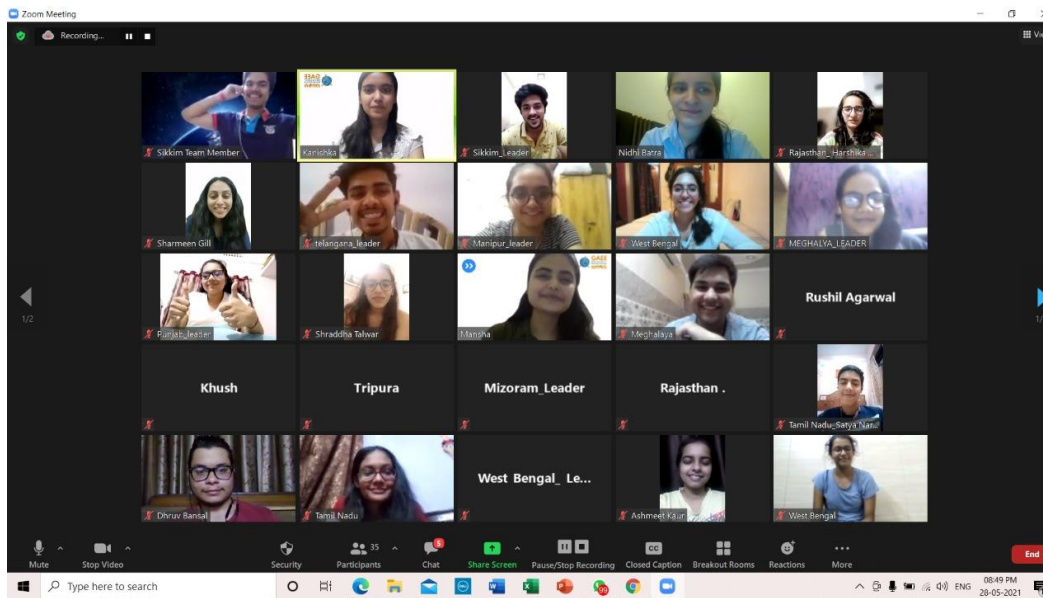

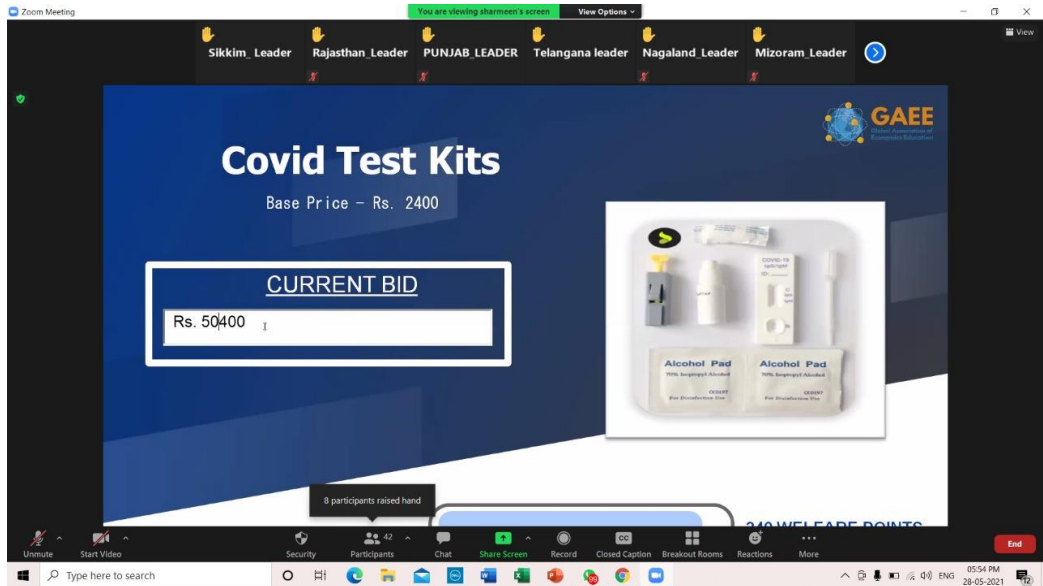

GAAE India organized the first-ever GAAE India Championship in May'21. This flagship event had two qualifying rounds, with Mr Anjan Gupta(COO, Morgan Stanley) as the judge. The team representing GAAE LSR won the Championship, and the JMI Team stood as runner-ups.

5. Awards and achievements in the academic year 2020-21

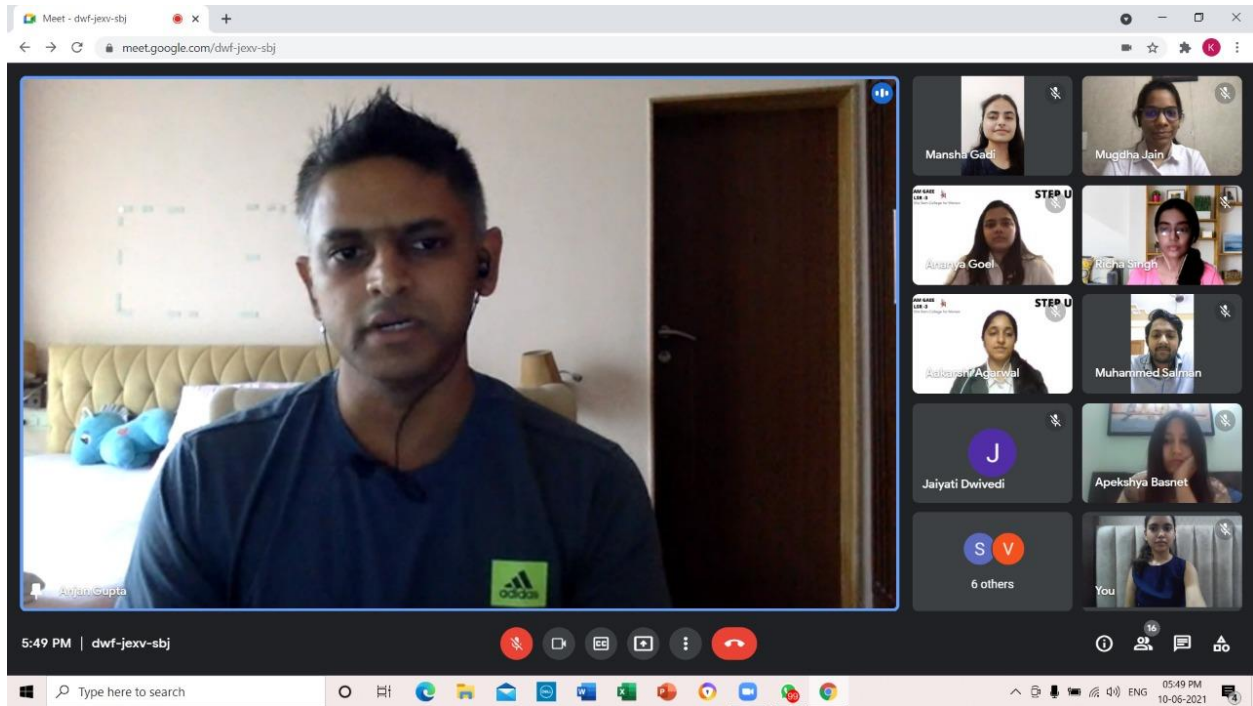

1. GAAE got featured in an article by the Royal Society of Arts under its flagship campaign "GAAE for Asia", which has been recognized as a Sustainable Development Goal by the United Nations.
2. GAAE collaborated with The World's Economic Association where all the members were given full access to the services provided by WEA.
3. GAAE also got featured in USA Today, in relation to an international public policy contest that was organised by GAAE International in developing countries.
