Decoding the Role of Higher Education To make India a Developed Country

Webinar Report

18th January 2024

The session commenced with a warm welcome from Dr. Pooja Jha, the program coordinator, setting the stage for an engaging and insightful session. Aimed at fostering profound insights and meaningful discussions, the session served as a collaborative platform, bringing together a diverse group of experts and educators. Ms. Sonal Gupta, Nodal Officer, Viksit Bharat, Hansraj college, provided a brief introduction to the program, paving the way for a comprehensive exploration of the crucial connection between higher education and national development. The program unfolded with a visual presentation outlining the objectives and motives of Viksit Bharat@2047.

OUR SPEAKER

Mr. Pawan Gupta
International Transformational Speaker
NLP President-IETRF

VIKSIT BHARAT TEAM

Prof.(Dr.) Rama (Principal)	Ms. Sonal Gupta (Convenor)
Prof.(Dr.) Vijay Rani Rajpal (Vice Principal)	Dr. Romila Rawat Bisht (Convenor)
	Dr. Suresh Gohe (Co-ordinator)
	Ms. Surbhi Jain (Co-ordinator)

Ms. Surbhi Jain, the program co-coordinator, introduced Mr. Pawan Gupta, our esteemed guest speaker. Mr. Gupta is internationally recognized as a certified Master Success Coach, with expertise in the NLP Curriculum, and has distinguished himself as a researcher in Human Psychology and Behavioural Sciences.

Mr. Pawan Gupta, in his address, delved into the ideological foundations of Viksit Bharat@2047, shedding light on the current state of education. He emphasized the necessity

for an adaptive curriculum that aligns with the dynamic global landscape, underscoring the pivotal role of technology in reshaping educational paradigms. The discourse extended to strategies aimed at elevating the quality of higher education, encompassing curriculum enhancements, faculty development, and the seamless integration of technology. The speaker also touched upon the urgency of instilling an entrepreneurial mindset among students, emphasizing the cultivation of creativity and critical thinking. Mr. Gupta concluded his insightful talk by stressing the significance of holistic development approach to higher education is essential for India's development. He highlighted the interconnectedness of personal and national transformation, emphasizing the need for practical, globally relevant education, and collaborative efforts between academia, government, and industry.

Professor Vijay Rani, Vice-principal, Hansraj college delivered closing remarks, bringing the session to a conclusion, which was followed by a formal expression of gratitude from Dr. Pooja Jha. The session served as a significant platform for sharing ideas and viewpoints, enriching the ongoing conversation regarding the transformative impact of higher education on the nation's future.
